**GAZA IN NEED!**

Dear Doner,  
The misery in Gaza needs no introduction. With more than 390 dead and 1,800 seriously injured, these figures, unfortunately are sure to rise with many still being pulled from the rubble.

18+ months of the inhuman blockade meant that innocent people are suffering on a daily basis especially with basic food and medicines are in restricted supply.

Human Appeal international has been working in Palestine for over 15 years and is CURRENTLY distributing vital emergency relief through its field offices in Gaza.

**Your donation will save lives!**  
Please donate generously and urgently.

Human Appeal has already supplied Al-Shiffa Hospital with 50 medical beds and 200 medical mattresses and working on providing more aid in the near future.

**How you can help ...**
